**Subject:** RE: PFCs in Cape Fear watershed

We just sent Seth paper to James Giattina in R4. I guess we could do the same for Mei's paper.

Looks like Tim Buckley wants to get the word out to give the Region and NC some time to prepare a response. Is there anyone specifically (or generally) that we should contact?

**Subject:** PFCs in Cape Fear watershed

Has anyone in Region 4 and NC been contacted regarding the Cape Fear paper? If so, do you know specifically who?
